

MANITOWISH WATERS ROAD DEPARTMENT

December 7, 2020

NOVEMBER ROAD REPORT

January 1, 2021 will be my last day of employment with the Town of Manitowish Waters. I will be retiring. Josh a current town employee is being groomed to replace me. He has acquired the necessary CDL license to perform the job.

Winter road procedures for the month: PLOWINGS (1)
SCRAPINGS (2)
SANDINGS (3)

The third and final phase of a complete new road sign replacement project for the town has been completed.

The new and larger culvert on Alder Lake Rd. west of Ave of Birches has finally been installed. Surface completion will be done next year.

Periodic manual limbing of tree branches is still being performed.

Our John Deere 6330 tractor has come back from Serwe Implements. The unit is once again operational.

All Koller Park tables and bike racks have once again been removed and put into storage.

The commercial chipping has been completed at the Transfer Station. The majority of the accumulated chips have also been hauled off.

The Town Christmas banners and decorative displays have been installed.
