

MANITOWISH WATERS
AUGUST ROAD REPORT

Still chipping up debris from last month storms

Trimming of tree limbs and brushing is being preformed

Cleaning up shop and back yard is being done

More patching has been done on some roads

Mowing of the road shoulders is now done

Mowing grass and picking up garbage at parks and cemetery

Turning compost pushing up brush and filling up dumpsters at transfer site

Our pressure washer heating coil sprung a leak. A new one was ordered and now repaired

New tires were put on our parks truck

Our small dump truck was taken to Marston Motors for bad steering, was repaired and covered by warranty

The boom and winch came in for our pontoon boat and now is being installed

Tom Lentz
