

MANITOWISH WATERS
SEPTEMBER ROAD REPORT

Finished installing boom winch for our pontoon boat.

Still trimming low hanging branches, cutting trees, and chipping along roads.

Pulled out the floating docks and repaired some of the old docks at Koller Park.

Put loader on john deer, cleaned up and checked over.

Repaired washouts on some roads that were bad.

Mowing grass, blowing pine needles, and picking up garbage at parks and cemetery.

Turning compost, pushing up brush, and filling up dumpsters at transfer site.
