

# MANITOWISH WATERS ROAD DEPARTMENT

## MARCH ROAD REPORT

Winter road procedures for the month, plowing (4) scraping (7)

Finished installing led lights in the town hall. Short 2 fixtures and bulbs for 2 offices.

Put road limit signs up on 3-21.

Cleaned up trees and branches off the roads from the 2 ice storms. The plan is to chip up the debris when the snow melts a little more.

The plow frame on #1 truck may have to be replaced, bad bend in it.
